

TEND

Not your typical home warranty.

**Homeowners select the provider.
Greater coverage.
Half the cost.**

At last, real estate agents can confidently recommend a home warranty that empowers homeowners to control the repair process.

With transparency and innovation, Tend is reinventing home essentials protection.

The Tend Difference:

- Tend empowers customers to select their own providers, including referrals you share.
- Tend customers always know their higher coverage, no hidden algorithms.
- Customers pay far less for home essentials protection.
